PRINCIPAL’S MESSAGE

Happy Easter! I hope you all had a wonderful, relaxed long weekend. Teachers usually enjoy the Easter break during the school holidays, so last weekend was certainly different to what we are used to. We have now returned to school to complete an already busy term with Year 12 half-yearly exams, Years 7-11 celebration assemblies, school cross country, CHS swimming and Year 7 and Year 9 boys vaccinations.

Professional Learning
This term teachers have spent their professional learning time focusing on "What makes a difference in the classroom?". As Mrs Brewer communicated in a previous Drawbridge, teachers have been videoing lessons to be viewed by colleagues during our professional learning time, in order to stimulate discussions on the complexities and subtleties of making a difference in the classroom.

This is some of the research that is behind what we are doing. Professor John Hattie, one of the world's leading educational researchers, has spent many years trying to determine the factors that have the biggest impact on student success. His findings are as follows:

In summary:
- **Students**: Around 50% of student achievement is attributed to what students bring to their learning **themselves** and this is more influential than any other variable. Their personal skills, attitudes, interests, knowledge and ability are the biggest influence on how well they achieve.
- **Teachers**: account for about 30% of the variance in student achievement. It is what teachers know, do, and care about which is very powerful.
- The other areas of influence on student success are the **Home, Peers, School and the Principal**. While very important and essential, each of these areas contributes about 5-10% up to a total of 20% of the influence on student success.

Teachers at Castle Hill High School do an outstanding job of teaching and supporting all our students to achieve their personal best in learning in all areas of the curriculum. They are prepared to keep learning and step out of their comfort zone in order to perfect their craft. Student achievement is always at the forefront of our discussions. Congratulations to the staff and students for a successful term.
Year 12 Exams
Our Year 12 exams commenced this week and will continue through to 12 April. This exam period is very important as it allows Year 12 time to reflect on the topics they have studied and put this knowledge into practice. Attendance is compulsory and in the case of illness and misadventure, procedures in the assessment manual need to be adhered to.

Celebration Assemblies
Congratulations to all the students who received awards on Wednesday and to the students who will be receiving awards next week. The awards at our Celebration Assemblies are presented to students who demonstrate a consistent, conscientious effort and/or have shown a great improvement in their attitude and calibre of work. Students who receive these awards should be proud of what they have achieved this term.

Lenovo Laptops
Last week all Year 9 students who had returned their laptop loan charter were issued with the new "Ferrari red" Lenovo laptop.

The Federal Government's DER program which has run over the last few years concludes at the end of 2013. This means that our current Year 9 cohort is the final group to receive these computers.

Relay For Life
Once again, Castle Hill High School will be participating in the “Hills Relay for Life” on Saturday 4 May 2013 at Wrights Road Reserve, Kellyville. This event honours the lives of those who have been touched by cancer. It is an opportunity for us to celebrate, remember and fight back against the disease with our local community.

Naplan
In Term 2, Years 7 and 9 will complete the National Assessment Program - Literacy and Numeracy. These tests will be conducted across Australia for all students from 14 - 16 May 2013. The results will provide important information to us about what our students can do, and will be used to inform our teaching and learning programs.

Term 2 School Development Days
As part of the implementation of the National Curriculum in 2014, all schools have been allocated two School Development Days at the beginning of Term 2, Monday 29 April and Tuesday 30 April for programming and staff training. The first day for Term 2 for all students will be Wednesday 1 May 2013. We will begin Term 2 with Week A of the timetable.

As this is the last newsletter of the term, I would like to take this opportunity to thank both the staff and students for their hard work and the parents for their ongoing support. Have a safe and happy holiday and I am looking forward to a productive Term 2.

Anna Girginis
Deputy Principal
The Hills Relay for Life – 4 May 2013

Castle Hill High School has been set up as a team for The Hills Relay for Life 2013. We have set the target for our school’s team at $6,000. If we combined all the teams from last year from Castle Hill High School, we reached a fantastic total of $5,700.

The Hills Relay for Life will take place at Wrights Road Reserve, Kellyville at 9.30am, Saturday 4 May to 10am, Sunday 5 May 2013. Students will not be staying overnight unless they are accompanied by their parents.

In 2013 the good news is that we can all register under the same team this year – there is no longer a restriction on team numbers. The Castle Hill High School Team is creatively named as just that, “Castle Hill High School”.

There are two ways to register for our team. Firstly is the analogue method where the registration form is available from school, with money being paid to Room 1 by Friday 12 April. Registration forms are simply returned to Mrs Boss or Mr Warren at school. Alternatively and possibly a little simpler is to make use of the World Wide Web and I have provided the link below.

May the 4th be with you…

Ross Warren
CONGRATULATIONS

Caitlin Muller, one of our many talented Year 10 Visual Arts students, entered a sculptural piece in the Castle Hill Show and was awarded with first prize and Champion for her age group.

Laced with sequins, netting and paint, Caitlin creatively transformed a plant pot into an extraordinary work of art. Caitlin is very deserving of this prize and she continues to immerse herself in the journey of art making.

Congratulations Caitlin, a superb effort!

Mrs Read
Visual Arts Teacher

Host Families Needed for French Students

Thank you to all the families who have already offered to host a student from our sister school, CIV in France.

We need a few more families to provide home-stay for three weeks in June (7June until 26June.) We have three 16 year old French boys who each require placement with a family. They speak English quite well and will be provided with a uniform by the school.

Your child does not need to be studying French to be able to accept a French exchange student. We will also be able to offer payment to families.

Please contact me or a member of the language faculty if you can possibly assist us.

Thank you,

Donna Wood
Head Teacher Languages
French Exchange Co-ordinator
Phone: 96344199
Email : donna.wood13@det.nsw.edu.au

School Fees

Thank you to all parents who have paid their child/ren’s school fees. A reminder, payments may be made by credit/debit card over the phone by calling the school office on 9634 4199.
Dear Parents

Your child is invited to participate in ICAS in 2013.

ICAS provides an opportunity for all students in Years 7 to 10 to gain a measure of their own achievement in an external testing situation. It provides teachers, parents and students with comprehensive reporting of results in the areas of English and Writing.

Each student will receive a certificate and an individual student report indicating which questions they answered correctly and their score compared with the rest of the students tested. The tests are an excellent preparation for national tests and the student report is useful for highlighting your child’s strengths and weaknesses. The certificate and individual student report are also suitable for your child to include in a portfolio.

Certificates are awarded for each year level as follows:
- High Distinction to the top 1% of entrants
- Distinction to the next 10% of entrants
- Credit to the next 25% of entrants
- Participation to all other participating students.

A UNSW medal is awarded when the highest score in each year level in each state in each subject is judged to be sufficiently meritorious. These medals are presented at either a UNSW Medal Ceremony or at a school assembly. Students must sit on the official sitting dates to be eligible for a UNSW medal.

The entry fee per student is as follows:
- Writing – 17 June 2013 to 21 June 2013 (AUD19.00 GST inclusive)
- English – 31 July 2013 (AUD9.00 GST inclusive)

Please return the permission slip and entry fee by: 3 May 2013. Students in Gifted and Talented classes at CHHS DO NOT need to complete this form as they are automatically signed to participate.

For more information please contact Ms Monique Frangi, English Faculty, Castle Hill High School on 9634 4199.

Yours Sincerely

Ms Lindy Jones
Head Teacher, English
Castle Hill High School
SPORTS SPOTLIGHT

Jack Arthur

What does the sport of football involve?
Football involves running, communication and teamwork. Football is a quick thinking game, as you have a split second decision at certain times to shoot, pass or dribble. That split second can make or break your decision. Football is a highly technical game.

What level of representation have you achieved in football?
The highest level I have achieved in football was when I was selected to go play in England for two weeks with “Australasian Soccer Academy” whom I still play for. I went over to England and played against clubs such as Manchester City, Bury FC and Sheffield United. I will most likely be going back to England at the end of the year, and hopefully get signed on a youth contract; if not I will try in the A-League, and also keep trialling overseas.

What training do you do for football?
My training schedule is 4 nights a week of training, plus a game on the weekend. Each training session runs for two hours. I also do my own training at home and at the gym. The type of training I do is: control over the ball, dribbling in and out of poles, shooting, attacking set plays, defensive set plays, watch videos of the last game we played and fix mistakes that we made in the game and improve on that in the next week of training. We also do a lot of fitness as that is the key to a good football player. If you’re not fit, you can’t play. That’s what my coach always says to the team.

What do you enjoy about football?
In football, I enjoy scoring goals and setting up goals and also taking on a few players and releasing the ball, or taking it myself and setting up a goal scoring opportunity. I enjoy being around my mates at training and also playing a serious game with them; you can joke around with your team and be serious at the same time. Football is always an excuse to get away from school work. That’s what I enjoy about football - it takes your mind off everything that is going on in your life, it’s literally my second life.

What other sports do you participate in?
Football is the only sport I play in a competition, but other sports would be touch football, basketball, cricket and European handball. I like to play those sports when at school. They are fun to play and very easy to play if you want to muck around with your friends at school.

“If you can dream it, you can do it”

Thanks for the interview.
Sports Council
NEWS FROM THE LIBRARY

PREMIER’S READING CHALLENGE 2013

The Premier’s Reading Challenge (PRC) aims to encourage in students a love of reading for pleasure with the emphasis on wide reading and quality literature. The PRC is not a competition but a challenge for each student to read, to read more and to read more widely. The PRC runs from 1 March 2013 until 1 September 2013. Books read from 1 September 2012 count towards the 2013 challenge which is to read 15 books from the PRC List and 5 books of personal choice ie: a total of 20 books. A Personal Reading Log is maintained online by the student.

To find out more about the Challenge log onto the website at: https://products.schools.nsw.edu.au

Currently the Library has 715 books which are listed in the PRC Book List. The Library has a printed copy of this list of books which is displayed at the Circulation Desk.

Students who complete the Challenge will receive a PRC Certificate and their name will appear on the PRC Honour Roll.

Don’t forget to ask for help if you can’t find the book you are looking for.

Sports Council Sports Week 2013

Sports Council organised the first ever sports week at Castle Hill High School last week. The students in the Sports Council were involved in running the following activities during Sports Week.

**Touch game – Sports Council v Prefects**
This was a keenly contested competition between the two senior student leadership groups. The game was played in good spirit and we hope will continue into the future as a regular fixture in the school calendar, creating a positive and friendly rivalry between these leadership groups.

**Year 7 Dodgeball**
The Year 7 students were given the opportunity to contest for the title of Champion Year 7 Dodgeball class. The preliminary rounds were completed with some excellent catching, throwing and dodging skills on display from the Year 7 students. The following Year 7 classes moved into the semi-finals: 7G, 7T, 7W and 7X. The semi-finals and final were hotly contested with 7W winning the final. Congratulations to 7W – Year 7 2013 Dodgeball Champions.

**Physical Challenges**
The following physical challenges/competitions were offered to students around the school:
1. Beep Test
2. Crossbar Challenge
3. Pass the ball (Rugby)
4. Frisbee Throw at a target
5. Golf Shot closest to the flag
6. Three point Basketball shot
7. Medicine Ball Throw

**Western Sydney Wanderers Visit**
Jerrad Tyson, Goalkeeper from the Western Sydney Wanderers visited the school and assisted Year 9 students with the running of a six-a-side football competition. Jerrad also spoke to the Year 9 students and answered many and varied questions about the success of the Western Sydney Wanderers this year and about his individual training program and goals in for the future.

(Photos courtesy of the Hills Shire Times)
Dani Samuels spoke to Year 11 & 12 PD/H/PE and Year 10 PASS students. She gave an insight into her athletic background, her World Championship success in the Discus throw, her training programs, how she mentally prepares for major events and her future goals and aspirations.

**Pink Day**
The Sports Council students organised a successful pink cake day which raised well needed funds for Cancer Research.
The following Sports council students are to be commended for their assistance in the organisation of the activities during Sports Week.
April Maree Mannah & Matthew Hall, Sports Captains
Jack Arthur, Dayne Baker, Ellen Cornwell, Jacob Dell, Hayden Gray, Jessica Johnsson, Jake McFarlane, Anna Relyea and Bronte Simpson.

**Junior Sports Council**
The following students have been selected within the Junior Sports Council for 2013.

**Year 7**
Breanna Brock, Kaidon Brown, Joshua Henderson, Ben McDonald, Amy Postill, Rachel Postill, Suchitra Pozhuvelile Benjamin and Susma Pozhuvelile Benjamin.

**Year 8**
Sarah Blesing, Syarne King, Fernan Medina, Paloma Sheridan and Ethan Zirh

**Year 9**
Chloe Turley

**Year 10**
Brontie Geist, Taylah Hallab, Noora Ikonen, Brie Mannah, Jessica Morige and Laura McInnes
These students will be involved in varied sport activities during 2013. A presentation of Sports Council badges will be completed early next term on Assembly.

**Mr Lewis Williams**
PD/H/PE
Sports Council Organiser
We are having a party!

Castle Hill High School turns 50 this year.
We are planning to celebrate this wonderful occasion.
Do you have any ideas on what we can do?
Would you like to be involved?
Would you like to sponsor an event?
We have already talked about the students celebrating our birthday in spirit week.
Perhaps a fancy ball or cocktail party?
A picnic day where ex-students can tour the school and view photos of the school throughout our history?
So what do you think?
Please email any suggestions you have to peter.kerrigan@det.nsw.edu.au

2013 CHHS Relay for Life

We need your help to help others!

What is the Relay for Life?
Relay for Life is a 24-hour fundraising event that brings communities together in the fight against cancer. Whether you are a cancer survivor, a carer, supporting friends or loved ones, or simply wanting to make a difference, Relay for Life empowers everyone who participates. Relay for Life is not a race - teams of people take turns to walk or run around the track. A huge part of Relay for Life is the atmosphere - it's a carnival, a celebration and also a heart-warming time to reflect, share experiences and build HOPE for the future. For further general information visit - http://relay.cancercouncil.com.au/2013/hills_2013

How is Castle Hill High School involved?
Castle Hill High School students are again entering a team as they have done each year since the Relay's inception at the Castle Hill, however this year we are moving to a new location.
Where: Wrights Road Reserve - Kellyville
When: The weekend of 4 & 5 May 2013
Times: The Relay commences 10am Saturday 4 May and concludes 10am Sunday 5 May.

How can I help?
Parents are needed to man the P&C marquee and tent which will be located alongside the walking track at the reserve. The role of parents is to provide support to a small team of dedicated teachers who run the school team and to the students participating. You can offer as much time as you like, but our aim is to have the marquee and tent manned by parents throughout the 24 hours.

Duties:
- To remain in the CHHS allocated area to ensure the students belongings are as secure as possible
- Assist students - encouraging individual goals and supervising tallying laps for each student

Ideally, we would like you to be involved for a minimum of 2 hours but are happy to have you for any length of time you are able to assist us in covering the 24 hours from the Saturday 10am start through to the conclusion on Sunday at 10am. There is plenty of time for you to sit and relax around the tent area.

If you can help, please contact the P & C by email: CHHSPC2154@yahoogroups.com, by Monday 29 April 2013. Please include the times (from and to) you are available, along with a contact phone number, preferably a mobile number, and your email address.

In addition, do you have contacts that would provide the team with fruit, water etc? It would be great to be able to keep a supply of fresh healthy food to the team so they don't go hungry or thirsty! Please contact us if you can help.

Yours in appreciation,
CHHS - P&C Committee
**UNIFORM SHOP NEWS**

**Junior Girls Winter Uniform**
- Royal Blue Skirt  
  Sizes 1-22  
  $65.00
