Principal’s Message

Another great opportunity to connect
The first week of school saw another opportunity for us to connect with the community. Two parent teacher evenings were held so that discussions about student progress could occur. As usual, your feedback about the school was excellent.

Subject selection for Year 9 2015
Our work for next year has well and truly started. An Information Evening and personalised interviews were held for Year 11 2015 at the end of last term, and this week an Information Evening was held for Year 8 parents and students regarding subject selection for next year. Nineteen subjects are on offer for Year 8 from which they will select three to study for the completion of the ROSA (Record of School Achievement) in Year 9 and 10.

HSC Trials – to commence in Week 3
Higher School Certificate students are at the business end of their studies with the trial HSC commencing on Monday July 28. This is a time for real determination and focus. As always, I have advised students to plan well, follow their plan, structure important breaks in their study schedule, eat well, get some fresh air and physical activity (so the brain is stimulated) and sleep for at least 8 hours at night with a regular sleep time from about 10.30pm. These kinds of strategies help to alleviate stress and anxiety, replenishing vital organs of the body so that meaningful learning can take place when study is involved.

Good luck to all, including parents who are also sometimes stressed at this time of year.

New staff member
I have pleasure in introducing Naomi Acheampong-Muller who joined us at the beginning of Term 3. Naomi is an ESL (English as a Second Language) teacher who will be working to assist students with their English skills.

Annual Business Breakfast
We take great pride in opening the school during Education Week every year to the local business community. We host a wonderful gourmet breakfast, prepared and served by our hospitality students and teachers, to celebrate our
connections with the community and give them a sense of what we value and believe. It’s always a terrific occasion.

This year, our guest speaker will be Scott Griffiths, an ex student of Castle Hill High School. Scott is currently doing a PHD in boys’ and men’s health and will provide a stimulating presentation on what his research is showing in this area.

**Congratulations** go to Aditya Pillai who came first in the Junior Legacy Public Speaking Competition recently. Aditya has a strong future ahead of him.

**Vicki Brewer**

**SCHOOL REUNION**

**Class of 1994**

The CHHS “Class of 1994” will be holding a reunion on the 16th August at the Winston Hills Hotel from 6.30 pm.

if you are interested in attending then please RSVP via email to

Katrina Crumpler

(Katcrumpler@hotmail.com)

**Congratulations Maiiya Arthur**

Maiiya has been selected for the Sydney West Regional Water Polo team to play in Wagga in November.
The previously unknown Castle Hill Rock Band was invited to perform at the Battle of the Bands night alongside nine other local high schools. The invitation consisted of fifteen minutes total stage time, (ten minutes of actual playing with five minutes set up), in front of an enthusiastic crowd and a panel of judges that would give the performers feedback at the end of their set. The prize up for grabs was a professional video recording of one of their performances.

This group of talented Year 9 (and one Year 8) musicians organised, arranged and rehearsed a set of three songs and adhered to the strict time limit imposed on performances. It should also be noted that they were the youngest band there on the night and were up against Year 11’s and 12’s. This situation propelled them to give it everything and deliver an energetic and electrifying Rock show.

With instruments in hand and only moments to go before taking the stage, they finally decided on the band’s name: “Young and Wreckless”.

The band launched into their first song “Moves Like Jagger” and within seconds they had a large excited crowd rush to the front of the stage. The atmosphere was electric.

The two lead vocalists, Megan and Sophie, had suddenly transformed from nervous Year 9 students into confident singers that interacted and engaged with the crowd and boosted the band’s presence. Within seconds of the applause fading from the previous song, the band started up and delivered a solid rendition of “Locked Out Of Heaven”. The rhythm section was tight, led by the relentless technical drumming display of Wang Su, locking in with Angus’s fat driving bass and filled out by Sarah’s lush keyboard lines and Thomas (Year 8) battling through on rhythm guitar. This was followed by their last song for the evening, “Are You Gonna Be My Guy (girl)” which featured the dazzling fret-board pyrotechnics of Sam on lead guitar. The energy and intensity remained throughout their blistering ten minute performance and at its conclusion, the crowd was begging for more. The band had actually surpassed their previous achievements, and are now a very confident, tight and focused group, improving every time.
The judges made special mention of the excellent stage presence and offered constructive criticisms on technique and stage craft that can be addressed for future performances. Although they didn’t win (this time), they probably had some of the older bands worried because of the confident delivery by such a young band and the sheer intensity and energy between the band interacting with the crowd.

This was an excellent opportunity to perform in a different environment than school and it was set up professionally with lighting, sound, large stage and stage crew to resemble that of a real gig. I wish you the best of luck next time.

**Nick Powning**
(Year 9 Rock Band Director / Manager / Roadie / Driver……………..)

“Young & Wreckless” are:

Megan Robinson and Sophie Panayi - vocals  
Sarah Wanstall - keyboard  
Angus Bevan - bass  
Thomas Carlick - rhythm guitar  
Sam Lee - lead guitar  
Wang Su Lee - drums
CHESS NEWS

What an exciting first semester for Chess! Not only did the Semester One Autumn Tournament attract eleven competitors but five of these chess players - Shaalv Ram, Jason Xu, Joel Randell, Joshua Hall and Darnell Pose represented the school in the NSW Interschool tournament. To date this tournament consisted of games against Baulkham Hills High, Delany, Girraween, Cerdon College and Quakers Hill. Ahead in the third term will be games against King’s College A and C teams and a last game against Holroyd.

Our players have been able to gain 13 points and the leader is Baulkham Hills who has 16 points. There are three matches left before the overall final marks will determine the winner of the Metropolitan West region. Jason is to date the only player to maximise his points as he has won all of his matches.

In the School Tournament, after a battle of wits and manoeuvring of chess pieces on the board to positions of importance to outwit the opposition, four distinct players came to the front to be involved in the semi-finals. These included Shaalv Ram, Jason Xu, Lucas Yeo and Darnell Pose. After playing in the semi’s, the finalists include Jason and Lucus in first and second position and for third and fourth position, games will be between players Shaalv and Darnell.

Chess Coordinator

CANTEEN NEWS

At the end of last term we decided to hold an Italian Day in the canteen. This was the first time we had attempted anything like this and we vastly underestimated the enthusiasm it would generate. There were literally hundreds of students waiting in line to be served (their patience is to be commended).

Just when we thought we couldn’t possibly cope with the numbers, a group of our Year Twelves came into the canteen to help. What fantastic young people this school is helping to produce. They recognised a problem and didn’t hesitate to offer help. Thank you so much to all those involved. You are a credit to yourselves, your families and your school.

…more good news.

What’s better on a cold day than a warm cup of homemade soup? From this week, the canteen is making a “Soup of the Week” – lovely soup made with fresh ingredients and available daily (order only at $3 a cup). The variety will change weekly so just check the notice board outside the canteen to find out what is available. We are starting with pumpkin soup. Yummmmm

Another addition to the menu is a delicious Persian style wrap ($4) – tasty pure lamb bites, lettuce, tomato with or without a sauce. Again, order only, so you can have it as you want it. Now that is service!

Any questions (or inquiries on how to join our happy group of canteen volunteers) call the canteen on 9634 1188).

Castle Hill High School P&C

On Saturday 30\textsuperscript{th} August the P&C will be holding a Trivia Night.

We had a great range of prizes in 2012 at our last trivia night, all kindly donated by local business and parent contacts.

Should you be in a position to donate \textit{any} goods or services that can be used as prizes, auction items etc. on the night please contact Allan on the P&C email address chhspc@gmail.com

Please also keep the date.
Tickets will go on sale early in August.

CHHS P & C Committee Member
Dr Priyanka Bandara featured in Channel 7 News Story on the

On June 17, 2014 Dr Priyanka Bandara, a Bioethics researcher and key member of the Castle Hill High School’s Committee on electromagnetic radiation exposure, appeared in a news story during the Channel 7 Evening News.

Dr Bandara is quoted as saying that there are many experts who are fearing that Wi-Fi will become the asbestos of the 21st Century.

According to John Lincoln, an Electrical Engineer interviewed in the news story, he gets complaints nearly every day from people who are nauseous and have neurological problems, which they can only trace back to their Wi-Fi.

Reporter Pippa Gardner stated “Australian Wi-Fi safety standards were last updated over ten years ago.” She goes on to state, “Because the technology is so new, the Government admits it cannot be 100\% sure there are no long term health risks.”

To watch the full Channel 7 News story, please see https://au.news.yahoo.com/nsw/video/watch/24259747/is-wi-

Did you know the Uniform Shop and Canteen at Castle Hill High School are run by the P&C?

All profits that are generated by the Uniform Shop and Canteen are returned to the school through improvements to the Canteen, programs for students, speakers at student assemblies, and contribution to building programs.

Purchasing uniforms through the school, and utilising the canteen for recess and lunch orders benefits the whole school community.

Telstra Mobile Phone Tower on top of Castle Hill RSL Upgraded, EMR emissions to increase by 50%

On Friday 11th July 2014, Telstra upgraded the Mobile Phone Tower on the roof top of the RSL. The Telstra Tower now has 4G capability. Telstra have agreed to come to Castle Hill High School and formally measure emissions shortly. Emissions will be within the Australian Radiation Protection & Nuclear Safety (ARPANSA) guidelines. However, Electromagnetic Radiation (EMR) emissions will now be approximately 50% greater than they were previously.

No more Telstra upgrades are planned now till January 2015 when the LTE700 (long term evolution) spectrum becomes available to carriers. This spectrum is the new spectrum which comes as the direct result of the government sell off of the analog TV network. The LTE700 is meant to be used for data transmission more than voice transmission. EMR emissions will again increase once this upgrade occurs.

For more information, please visit www.rfnsa.com.au and type in the RSL Tower Site Number 2154020. Alternatively please visit our website

Building Fund Improvements to the Hall bathrooms, dressing rooms complete.

Members of the P & C recently toured the newly refurbished bathrooms and dressing rooms in the school hall. Not upgraded in over 40 years, the bathrooms now look inviting and well kept. Considerations in the bathrooms have been made for baby change facilities, accommodating both parents to the school, and community members from primary schools and community groups who regularly use the hall.

Tax deductible donations to the P & C Building Fund may be made to the following bank account:
Westpac Castle Towers Branch
Account Name: CASTLE HILL HIGH SCHOOL P&C ASSOCIATION BUILDING FUND
BSB: 032 173
Account No: 483270

Please send an email detailing your donation to chhsfc@gmail.com so we can send you a Tax Invoice

The original Ladies’ toilets, left, and the refurbished Ladies’ toilets, right. The P&C is grateful for donations that have in part contributed to this work.
Calling all Castle Hill Public School Parents, Students, past & present!

Carol Coyle is retiring …

After almost 30 years of serving the CHPS community, our wonderful Canteen Manager Carol Coyle will be hanging up her apron and moving onto the next phase of her life. To celebrate this wonderful achievement and to show our appreciation, we are holding a couple of events:

**Luncheon at CHPS**

Date:    Thursday 31st July,  
Time: 12:30pm – 1:30pm  
Venue: School Hall,  
Castle Hill Public School

RSVP : Please RSVP to Annette (anette2310@live.com) so we have an idea of the numbers attending. Please bring a plate of food to share.

**Celebratory dinner at Full Moon Thai restaurant**

Please join us for a night of laughter and 30 years of canteen memories!  
Date and Time:    Friday 1st August, 7:00pm till late  
Venue:    Full Moon restaurant, 3/33 Terminus Street Castle Hill

Cost:  $35pp for a set menu  
RSVP:   Monday, 28th July,  
Please email Lisa (stokan@bigpond.com) as soon as possible if you would like to attend the dinner, so we can book enough tables at the restaurant. Please include any special dietary requirements.

Payment will need to be made in advance, please email Lisa Stokan for instructions on payment.

If you know of any ex-parents/ canteen volunteers who might like to participate in these events, please feel free to pass this information on. We would love to see canteen volunteers from Carol’s early years at CHPS as well as the current volunteers.

We hope to see you at one or both of these events for Carol.

**CHPS Community Present for Carol**

Whether or not you can attend one of the functions, if you would like to contribute to the present, please email Lisa (stokan@bigpond.com).

Helping kids leapfrog their difficulties with these 5 ideas

A parent’s attitude to their child’s difficulties will determine how successfully they meet and overcome many of the obstacles and hurdles they meet.

Whether it’s going to school for the first time, making new friends or even going to school camp, children often experience difficulties that they need to overcome.

When children overcome problems and deal with unpleasant situations they learn they are capable, which is the basis of self-esteem and confidence.

Children’s resilience is fostered when they overcome problems and manage unpleasant social situations such as testing or going into new situations. Protecting kids from challenging experiences robs them of chances to learn, develop and grow.

Resilient kids look back and draw on skills and understandings they have developed in the past to help them deal with present challenges. For instance, a sixteen year old girl recently revealed how her time spent on a twelve-day adventure camp helped her overcome the homesickness she experienced on a six-month student exchange.

She remembered how on the first day of her school camp she didn’t think she could make it – but she did. She experienced those same doubts early in her exchange but she knew just as she had coped before she would do it again, but this time in more difficult circumstances. She was drawing on the same resources.

Here are five great parenting ideas to help your kids leapfrog their difficulties:

1. Frame the problem as a challenge:
   Frame the difficulty as a challenge rather than a problem. Kids take their cues from their parents so the frame of ‘challenge’ gives kids something to rise to rather than be overwhelmed by.

2. Coach kids to do well:
   Talk kids through their challenges, give them ideas to cope and manage. Consider rehearsing some skills or language that they may need.

3. Show confidence they will succeed:
   Children generally meet their parents’ expectations so make sure your expectations are realistic, positive and supportive of their feelings.

4. Give kids a chance:
   Allow kids to approach challenges in their own way without constantly checking on them. Your nervousness is definitely catching.

5. Celebrate their success:
   Even if they were partially successful, such as they went to school camp for two out of the three days, then praise their efforts. They’ve got a great building block for next time.

The attitude and approach of parents and teachers will determine how successfully children and young people meet and overcome many of the hurdles they encounter. That attitude needs to be courageous, sensitive and hopeful that your child will meet, and overcome with assistance, all the challenges they encounter.
Interrelate Bella Vista
Parenting & Relationship Programs

**Ideas for Parenting Teens PLUS Skills & Practice**

Want to Play Girls Cricket?

**Milo in2CRICKET** is the introductory form of the game for kids. With a focus on learning the key skills of the game in a fun and safe environment, in2CRICKET is open to girls and boys of all abilities. Milo in2CRICKET is played at Fred Caterson Reserve field no.2 each Friday evening from 6pm - 7:30pm, during the program.

**Milo T20 Blast Girls** is the modified form of cricket designed to introduce girls to the game in a safe, fun and dynamic environment. There’s music, dancing – and oh yeah, CRICKET! T20 Blast Girls centres will be located across the Sydney Metropolitan region from mid-October. 2014 Centres generally run on Friday evenings, and go for 1-1.5hrs.

The **Breakers Junior Cricket League** is a brand new competition run by Cricket NSW. There is a Spring and a Summer Comp, with age groups and divisions to suit all abilities. In 2014/15 there will be a North East and South East Pool (Sydney Metro), with North West and South West joining in 2015/16. Any club in the Sydney Metropolitan Region can enter teams in this competition. The Breakers Junior Cricket League includes gala days and gives girls the opportunity to meet and play with the most successful sporting team in NSW – the NSW Breakers.

To find out more about what opportunities are offered by Castle Hill RSL Cricket Club, please contact us via email at chrsiicc@hotmail.com

CASTLE HILL RSL
CRICKET CLUB
2014/15 REGISTRATION DAYS

The Castle Hill RSL Cricket club is looking for players for our Junior & Senior teams across all Junior age groups and Senior Grades to join us for the upcoming 2014/15 season.

At Castle Hill our Junior teams start in the U/9 competition and continue through the age groups until the U/16’s, with boys and girls both welcome to play.

Castle Hill is also one of the few clubs which has a dedicated Girls side, and they are currently the NSGCA Premiers.

All of our Senior teams are graded, and whether you are after a highly competitive game or a game with your mates, we have teams to cater for everyone from A Grade which is played on turf wickets, through to the more social game of D Grade.

Registering to play is easy and can be done in person at one of our registration days (details below) or can be done online via our website http://castlehillrslcc.nsw.cricket.com.au

SATURDAY MORNINGS IN JULY FROM 9AM -12PM
AT FRED CATERSON RESERVE FIELD 2 CLUBHOUSE
