Principal’s Message

Water Polo win
Again, wonderful news for our under 15 Year Water Polo girls: they won their regional final against Hills Sports High School this week and are now off to the state finals, in Raymond Terrace on December 5. Mr Terry Gainey, enthusiastically trains these students and is just as excited about the results as they are. Great news!

Remembrance Day Commemoration
Fittingly, the school commemorated Remembrance Day this week with a poignant ceremony featuring visual representations from past wars, a reading of Paul Keating’s famous speech on the unknown soldier and some background on the historical significance of the day and its symbols. Students responded to the intensity and importance of this event with reverence.
Thanks must go to the coordinator, Mrs Sue McDonald, who together with the HSIE faculty, did a superb job in constructing an appropriately informative, solemn ceremony.

Design and Technology success
Following on from the success of the Creative and Performing Arts KLA in gaining nominations of exemplary works in Drama, Dance and Visual Arts, Design and Technology students have also gained distinction. Three students, Hayley Gillett, Hyunmin (Angela) Kim and Caitlin Muller have been notified of their nomination in Design-TECH for possible inclusion in an exhibition at the Powerhouse Museum for state winners. Once again, only outstanding works are nominated at this stage, so it is wonderful news for these three students. Mr Dave Hovelmann, the Design and Technology teacher is also to be congratulated. He works tirelessly to ensure all students have the best opportunity to excel and is a truly wonderful teacher.

Caitlin Muller
Hail Stone Car Cover
Resilience continues
More volunteering will take place for year 10 this term and Year 8 will continue with their workshops on building resourcefulness in the face of challenge. All of this is part of our resilience program aimed to promote “Care of Self, Care of Others”.

Last week during mental health week, many students and teachers wore a hat throughout the course of the day to remind others of the importance of mental wellness and strength.

What’s Happening in the Canteen?
The Castle Hill High School Canteen is a P&C operated canteen that prides itself in providing healthy, delicious and affordable food for all students and staff.

Can anyone believe how quickly this school year has gone?

Already, we are half way through term four. The new summer menu is up and running and we are happy to announce that healthy menu options are amazingly popular. (We are making more salads than ever before!)

The canteen garden is looking wonderful thanks to several amazing helpers who spent a couple of hours weeding over the weekend. With all the rain we have had recently, the garden was badly in need of a tidy up. The garden is a terrific asset to the canteen and well worth maintaining (Extra helpers are always welcome! There will be another working bee early next year. Stay tuned…..)

Speaking of ‘helping out’, please consider volunteering in our wonderful canteen.

Just call us on 86341188 and put your name down for next year’s roster. It’s a great way to meet other parents, get to know the teachers, be involved with the school, raise funds for the P&C… and earn a free lunch and cup of coffee in the canteen. Bargain!

Joanna Sutherland
Canteen Manager
Have you seen the recent projects of the P &C Building Fund? Our children and the whole community are enjoying better facilities every day, following the recommencement of the Building Fund in 2010.

After lying dormant for many years, the first project of the P &C Building Fund was the refurbishment of the building which houses the canteen and original gym – a facility that was in need of urgent refurbishment. It was a mammoth project that began with the engagement of architects to formulate a schematic design. We wanted to ensure we used the right materials and techniques to achieve a brighter, cleaner and maintainable space.

Completed over three years, the project included resurfacing of the basketball court in the canteen quad with special non-slip coating. The refurbishment of the canteen and original gym were made possible through parent donations and school funding (as they became available), and the completion of these improved facilities coincided with the school’s 50th anniversary.

In 2011 A Grants Committee was formed and began seeking funding through outside sources for the betterment of the CHHS's resources and facilities. We successfully applied for funds from the NSW government to refurbish the bathrooms and backstage changing rooms of the school’s auditorium. We needed to match, dollar for dollar, their funding, which we again managed through parent and school donations.

The P&C discusses extensively each year with how much to ask parents to donate. Donations to the Building Fund are separate to P &C fees, and are tax deductible (for donations over $2).

We don’t wish to burden any family so our P&C Fees and suggested Building Fund donation amounts have remained low. Some schools in our region including Baulkham Hills High School set their parent fee at many hundred dollars per student per year. This enables them to complete new building projects and purchase better equipment quite quickly – they recently opened a brand new building funded totally from parent building fund donations. The fees seem high however the collective benefits are an ever improving environment for student comfort and learning. Is this a path we should follow? We haven't, as stated, but it is worth the conversation. We could start by asking our own students how they perceive their school facilities.

We welcome your family’s thoughts on this matter.

- Any parents, carers or community members with ideas or suggestions about Building Fund donations, or who may be interested in assisting with fundraising efforts, are welcome to contact the P&C via email chhspec@gmail.com, or come along to our next P&C meeting at 7:30pm on 18 November 2015 in the Common Room in Block A.

**Accident Insurance at School**
The P&C has been advised by the Department of Education (DEC) that if your child is injured at school, the DEC does not provide accident or medical insurance for students. If you are concerned please seek independent advice.
Castle Hill High School Building Fund

Castle Hill High School is a great place for our children’s education. As a community, we are lucky that the school’s teaching and administration staff show drive and dedication to making the daily environment one of a dynamic, engaged place for learning.

The P&C Building Fund donates to projects that are facilities-based, and contributions are voluntary and tax deductible. The P&C Building Fund Committee works closely with the school to identify crucial projects affecting the facilities students utilise every day, and funds projects that will be relevant to the ongoing school life.

The original Castle Hill High School buildings are over 50 years old. As parents and community, we have the unique opportunity to assist with renovation and refurbishment. These works will benefit the current students immediately, but will also be a legacy for those students attending the school in years to come.

In the past 4 years over $300,000 has been dedicated to P&C refurbishment projects at CHHS. Most recently in 2014 the P&C Building Fund oversaw the upgrade of the Auditorium toilets and change-rooms. Building Fund donations were combined with a Community Building Partnership Grant to completely renovate the tired old facilities into modern amenities that are far more suitable for use by the school and community.

The P&C are continuing the redevelopment of the hall, with renovation of the foyer our next step in the project.

Last year’s project included refurbishment of the School Hall bathrooms and backstage dressing rooms. Above left, the girls’ bathroom before refurbishment, and right, after refurbishment.

---

Donations of $2 and over are TAX-DEDUCTIBLE

We need your help!
Please consider donating to the Building Fund – and help us provide our children with a dynamic and modern environment where they learn.

How to donate

- **Online Donation:**
  We now accept donations online via PayPal and Credit Card (link below). You do not require a PayPal account to donate.

Uniform Shop Opening Hours for January 2016 Announced

Last minute purchases of uniform items are a back to school necessity for many families. The Castle Hill High School Uniform Shop volunteers are always more than happy to come in during the final weeks of January to make sure the last minute items can be ticked off mum or dad’s shopping list.

Special Uniform Shop Opening Hours January 2016:

January 21 & 22: 10:00am — 12:30pm
January 25 & 27: 10:00am — 12:30pm
January 28 & 29: 8:15am — 11:30am

PLEASE NOTE: The shop is CLOSED on Tuesday 26 January (Australia Day)

Term 1 2016, Weeks 2—11:
Monday and Friday: 8:15am — 11:30am

Second Hand Uniforms - Do you have uniforms your child has grown out of? Uniforms in good condition are always welcomed as donations to the Uniform Shop. They can be left at the School Reception if the shop is closed.

Volunteers needed

Whenever you are available for an hour or two, please do come and help out at the Uniform shop. It is pleasant and easy work and a chance to get to know the students and the school a little better. Please email chhspc@gmail.com if you are interested or pop into the Uniform shop and speak to Margaret.

New Uniform Shop price list and order form appear later in this publication

Please note that due to rising supplier costs, the Uniform Shop will be required to raise prices on select items from the beginning of Term 4, 2015. From Term 4 all Junior Girls dresses will be $70.00.

15 YEARS GIRLS WATER POLO 2015

On Monday 9 November we travelled up to Glenbrook to play in the 15 Years Girls Water Polo Gala Day.

We had a super keen group of girls for this competition. We have some great swimmers and keen sportswomen.

We played three games in the preliminary rounds:

1. Defeated Muirfield 10 - 5
2. Defeated Winmalee 15 - 0
3. Defeated Nepean 15 - 2

Each and every player put in a big effort, and worked well as a cohesive team. Our attack was keen and decisive, our defence got tighter and tighter in each game. We simply overpowered the opposition.

Rebeka and Taylor were relentless in powering in the goals, but still had time to pass the ball off to other players around them. New recruit Isabella (from year 7) fitted in as if she was an old hand. Carly marked her opposition with amazing tenacity – even if they were twice her size. Shannon was brilliant in the goals.

This performance put us into the regional final against Hills Sports High School, who were undefeated on the other side of the draw.

Our team was a little psyched out in the first half, being down 3 – 1 at half time. A quick talk about defence and having fun as a priority saw an amazing turnaround. Our defence shut their attack down, and allowed our girls to control the second half. We hammered in four unanswered goals to end up 5 – 3 winners and Met West Regional Champions!

We now travel up to Raymond Terrace in December, to play in the state championships. Go girls!

Final standings:

1. Castle Hill 9
2. Hills Sports 9
3. Muirfield 7
4. Greystanes 7
5. Blaxland 5
6. Nepean 5
7. Winmalee 3
8. Kingswood 0

Our goal scorers were:
Rebeka 18, Taylor J 14, Breanna 4
Isabella 4, Shannon 2, Emily 1
Jayme 1, Carley 1

Team List:
Breanna Brock, Emily Clark, Jayme Cline, Kumiko Delaney, Isabella Hine, Taylor Pedler (injured), Rebekah Sefton (captain), Carley Thomas, Shannon Williams (goals).

T.Gainey – coach
Year 9 Textiles Technology

Year 9 students were issued a task that was from the focus area, furnishings.

I am proud to announce that the students projects displayed below were:

- able to satisfy the design brief
- outstanding in design and realisation
- meticulous in construction
- well respected by each student.
- exceptional in time management

Congratulations, Hannah, Rachael, Kaitlyn, Brooke, Celina, Lucia and Alessandra.

I am looking forward to continued success throughout the year 10 course.

Ms Worldon.
News from the Library
Term 4 2015

In Term 4 we have been having fun in the Library with Halloween. We decorated the Library with spider’s webs, dripping blood and all of our scary books. We also ran a competition, “Guess how many eyeballs in the Jar”, which was won by Belinda in Year 7. Hopefully she will share them with her friends.

Library Overdues
It is that time of year again when we start to recall all overdues. We are emailing all overdues, including Library books, textbooks and English Novels to student’s @education.nsw.gov.au email address. Please ask your student to check their email for an overdue notice and ensure that all books are returned by the end of week 7. Please send your student to us if they have any questions about their overdues. We are not old fashioned scary Librarians.

Textbooks and English Novels
The school has a wonderful program of providing students with all of the texts that they need during the year, however we rely on students returning their texts every year so that next year’s students can use them. Please ensure that all textbooks and English Novels are returned by the end of Week 7.

Charges for unreturned books
Any overdues from Term 3 or earlier will need to be returned or paid for. Students with very late overdues will receive a letter with the name of the book and the cost. Please return the book or organise payment as soon as possible. Please be assured that we do this as a last resort and have already given your student many overdue notices via their PC group.

Ms K Mathews
Librarian
Drawbridge

Castle Hill High School

The Athlete’s Foot Castle Hill donates $5 in the form of gift vouchers to your school receipt and write CHHS on the back. Simply deposit the duplicate receipt into the collection container when you are in the store.

The good news is that the expert staff at The Athlete’s Foot can help prevent problems caused by badly fitting or poor quality shoes. Using FitFax, staff are trained to analyse your child’s feet and recommend the best shoe to fit their individual needs, like Ascent.

Ascent school shoes are built on your children’s feet comfort to keep your children’s feet comfortable.

It’s not too late to join Nippers...

Registrations are still being accepted at North Steyne Nippers for all children aged 5-13 years for the 2015-2016 season. The emphasis is on FUN and education and includes activities such as beach sprints and flag races, wading, swimming, board paddling and other novelty events. Everyone is encouraged to join in and have a go. A Surf Education program is also included to raise surf awareness and help keep our children safe on the beach.

We also are very interested in hearing from runners or swimmers who would like to compete at carnivals this season and offer dedicated competition training for both beach and water competitors.

For more information please call Jodie Frazer on 0411 261 455 or go to our website for more information to enroll:
